## GERMANY STARTUP VISA

There is no doubt that the Germany Startup Visa is an excellent opportunity for non-EU entrepreneurs to establish and grow their businesses in Germany. The purpose of this visa is to attract innovative startups and contribute to the dynamic German startup ecosystem.

### REQUIREMENTS:

#### ELIGIBILITY:

- Non-EU, non-EEA, non-Swiss citizens are eligible to apply.
- It is important to have a business idea that has the potential for growth that is innovative and scalable.
- It is important that you provide a comprehensive business plan that outlines all the aspects of the potential business, the market analysis, the financial projections, and the possible impact on the German economy.
- Obtain the approval of the relevant German authorities for the business idea you are proposing.
- Provide evidence that they have sufficient financial resources to support themselves and their business. It is required that the applicant has a monthly income of at least €1,000 in order to qualify for the program.

#### BENEFITS:

##### Visa-Free Travel:

Travelling within the Schengen Area is visa-free, enabling you to conduct business across Europe and explore new markets.

##### Pathway to Residency and Citizenship:

You have the option to apply for permanent residency or citizenship after five years of legal residence in Germany.

##### Family Reunification:

You can bring your family members to Germany and enjoy the same rights when it comes to residency as you.

##### Supportive Business Environment:

Take advantage of the business environment in Germany that offers a number of incentives, tax reductions, and funding opportunities to help you grow.

##### High Quality of Life:

Discover the rich culture, beautiful landscapes, and vibrant entrepreneurial community that abounds in Germany.
