Our Goal Your Success

ITALY STARTUP VISA

There is no doubt that the Italy Startup Visa represents an excellent opportunity for non-EU entrepreneurs to establish and grow their businesses in Italy. As a result of this visa, Italian companies are able to attract innovative startups and contribute to the country's dynamic economy.

REQUIREMENTS:

ELIGIBILITY:

- Non-EU, non-EEA, non-Swiss citizens are eligible to apply.
- It is essential to have an innovative and scalable business idea with a clear growth potential.
- Providing a comprehensive business plan that outlines the idea for the business, the market analysis, the financial projections, as well as the effect of the business on the Italian economy would be a great start.
- Obtain the approval of the Italian Ministry of Economic Development for the proposed business idea.
- Be able to demonstrate that they have sufficient financial resources to support themselves and their business. Funds of at least €50,000 are required to be available for this project.

BENEFITS:

○ Visa-Free Travel:

Travelling within the Schengen Area is visa-free, enabling you to conduct business across Europe and explore new markets.

○ Pathway to Residency and Citizenship:

Once you have been living in Italy for five years, you may apply for Italian citizenship or permanent residency.

○ Family Reunification:

Your family members can join you in Italy and enjoy the same residency rights.

○ Supportive Business Environment:

You can take advantage of Italy's supportive business environment, which includes government incentives, tax reductions, and access to funding opportunities.

○ High Quality of Life:

Italy offers a rich culture, beautiful landscapes, as well as a vibrant entrepreneurial community that is unmatched.
